### **Janet Faust Receives LEED™ Accreditation**

**Alpharetta, GA. JDR Enterprises, Inc.** has announced that Janet Faust has earned her Leadership in Energy and Environmental Design Professional Accreditation (LEED™ AP).

Accreditation is obtained through a rigorous examination process to determine a candidate's technical proficiency in green building practices and techniques. LEED™ Accredited Professionals are experienced building industry practitioners who have demonstrated their knowledge of integrated design and their capacity to facilitate the LEED™ certification process on the LEED™ Professional Accreditation exam.

Janet is a graduate of Florida State University with a degree in 'Housing' as well as a graduate of North Metro Technical College with a diploma in 'Environmental Horticulture.'

**JDR Enterprises, Inc.** provides key components for successful greenroofs. **J-Drain GRS** is a pre-assembled greenroof drainage system consisting of high strength dimple core, root barrier fabric, and filter fabric.
