

Position: Manager of Design / Build Group with Landscaping Company

Company: Urban Garden

Company Profile

Urban Garden is a rapidly growing landscape design / build / maintenance firm that focuses on innovative projects in Toronto's core. Our clients include condominiums, commercial / office complexes, hotels, the City of Toronto and Toronto-area Business Improvement Associations.

We are committed to sustainable landscaping practices. We are strong proponents of LEED and the Sustainable Sites Initiative.

We are leading designers and builders of roof, balcony and podium gardens. Our dual role as designers and builders allows us to manage projects from concept to completion.

The Role

We are looking for an experienced manager to lead and expand our Design / Build Group. You will report to the President and will be responsible for a staff of approximately 10 to 15 persons consisting of designers, project supervisors and technicians.

You have an entrepreneurial bend and are looking for an opportunity to grow a business.

You are a visionary thinker and a strategic planner.

Mandatory Requirements

- Significant project management experience, including the use of project management and estimating software;
- Experience with landscaping projects;
- Substantial estimating and tender preparation experience;
- Excellent inter-personal / client-relations skills;
- Excellent financial management skills including:
 - familiarity with financial statements
 - experience in budget preparation
 - job-costing management

Other Assets

- LEED certification;
- Excellent written and verbal communication skills;
- Formal training in project management;
- Experience in landscape design and use of design software;
- PMP certification.

Compensation

Our remuneration rates and benefits programmes are among the most attractive in our field.
