Building Knowledge Forum

September 5 & 6, 2007

Doubletree Hotel & Executive Meeting Center, Portland, Oregon

- ▶ The Building Knowledge Forum is for anyone who's working to build better quality homes, improve their processes, increase customer satisfaction and sales.
 - ▶ The forum is about the way you build homes, it's about building in times of change, and most important, helping great ideas spread.
 - ▶ One thing is certain: it will change the questions you ask, which is the point.
- **Got Green?** Jay Hall
 - **How Do I Build "Green"?** Tony Grahame & Dr. Jay Hall
 - **Separation Anxiety: Condos & Townhouses** Mark LaLiberte & Ed VonThoma
 - **ENERGY STAR for New Homes: What, Why, and Where Headed** Sam Rashkin
 - **The Good Life: Selling Better Homes** Gord Cooke
 - **Getting Things Done: Insulation & Air Sealing** Pat O'Malley & Tony Grahame
 - **Feel the Difference: HVAC Done Right!** Gord Cooke & Pat O'Malley
 - **Fully Loaded: Moisture Management** David Richmond
 - **Rethinking: Crawlspace** Mark LaLiberte & Tony Grahame
